BEHAVIORAL POLICIES & CAMPER EXPECTATIONS

Now, more than ever, it is imperative that all children and parents fully understand FAC's behavioral policies. We will have a ZERO TOLERANCE policy for any behavior that contradicts our efforts to protect the health and well-being of any child or staff member during camp. Any child that displays this kind of behavior will be sent home and will not be allowed to return back to camp for the remainder of the summer camp season. If you believe your child may have difficulty abiding by these policies, this year may not be the best time to send your child to camp. This policy is for the safety of all parties involved and will be taken very seriously.

We do believe that every camper deserves the right to experience our camps and all that they have to offer. We also believe in setting limits and holding our campers to certain expectations in order to create the best possible camp environment. The following policies and procedures are in place to handle any behavior or incidents that could interfere with the overall camp experience.

Franklin Athletic Club reserves the right to dismiss any camper without refund for any behavior that 1) threatens or endangers the safety of any camper or staff member, 2) is disruptive to the overall camp environment, ultimately interfering with the enjoyment and positivity of camp for the kids or staff, 3) acts in a way that resembles any form of bullying of other campers or disrespect towards the counselors, or 4) is deemed unacceptable overall.

Overall Behavioral Policy:

Any actions that do interfere with the camp can result in one or more of the following:

- The child may be excused from an activity.**

- This simply means that the particular camper or campers that are causing issues will be directed to sit out and may not be allowed to participate in certain planned activities.

- The camp manager or assistant manager may be called to handle the behavioral concern with camper.**

- This action will be taken by the group counselor when they feel that the child will no longer cooperate, follow instructions, or that their behavior has exceeded the first consequence/warning.

- The parent/guardian may be called and informed of issues, along with potentially having to pick up the child early.**

- This action will be conducted by the camp manager, if the behavior is deemed excessive, continuous, or unacceptable. The manager reserves the right to take this action as he/she deems fit.

- The child may be dismissed from camp on a permanent basis.**

- This action will be taken by the camp manager, if the behavior has reached a particular level and the staff no longer feels that our camp is a good fit for the child. The camp manager reserves the right to take this action as he/she deems fit. This year it may mean that your child is having a difficult time keeping a safe distance from other campers

Parent Communication with Behavior:

Open communication with parents is critical in addressing behavior concerns in order to make the camp experience the best it can be for both their child and the other campers. Notes home to discuss the situation and solutions to avoid further behavior will take place as issues arise. If the behavior becomes continuous and is not corrected we have the right to create a behavior plan for the individual camper. This will be discussed with the parent and will be a means to keep communication open and encourage positive behavior from the camper.

Please read the following pages for further explanation of additional policies and guidelines about how situations will be conducted and what the camp staff is expecting of all the campers in attendance.

BEHAVIORAL POLICIES

Bullying:

Any instance of exclusion, teasing or taunting, hitting, kicking, or putting down of another person with or without the intention of causing harm is considered bullying. At Franklin, any form of bullying is deemed inexcusable and will not be allowed to continue at our camp. Our staff expects all children to respect and act kindly towards the other campers.

Along with that, our staff learns and is trained to handle bullying situations and works to create an atmosphere of comfort for the kids to report any misbehavior. However, some kids may choose not to confide in a counselor, so we do ask that you inform us of any issues as soon as possible. It will help us to ensure that every child is enjoying their summer here and helps to ensure that we are handling the situation on our end.

Kids will be kids, and we understand the minor disputes that can arise, but anything beyond a minor encounter can and will result in the staff following the overall behavioral policy.

Fighting:

Franklin will not tolerate campers who physical cause harm or attempt to cause harm to others. This includes any physical contact such as hitting, kicking, biting, etc. Any child who bites another camper or counselor will be immediately dismissed from camp for the day with the possibility of being dismissed on a permanent basis. Any of these actions will result in the overall behavioral policy taking place.

Diversity:

Here at Franklin, we take great pleasure in the fact that we host a diverse group of children and families. Along with that, we run and create a large variety of specialty camps and programs in order to coincide with the diversity we host. It is our mission to allow everyone to take place in any and every activity along with creating inclusive activities for all campers no matter race, gender, religion, ethnicity, etc. We ask that parents understand this and relay this message to their campers. Any camper that is acting in a manner not coinciding with our statement may face any of the consequences as listed in the overall behavioral policy.

Obscenity/Unacceptable Language:

Obscene, vulgar, or profane language whether it be written, expressed by symbols or pictures, or communicated verbally will not, under any circumstances be tolerated at camp. Any camper who violates this policy will face one or more of the following consequences listed in the overall behavioral policy.

Stealing:

Any camper found in possession of property belonging to the facility or another camper, with the intention of keeping the item will face one or more of the consequences listed in the overall behavioral policy.

Vandalism:

Any children involved in the destruction or vandalism of other's property will face one or more of the consequences listed in the overall behavioral policy.

NEW CAMP POLICIES FOR 2022 DURING COVID

Due to the concern surrounding the COVID-19 pandemic, Franklin has revised and added new policies to adhere to CDC guidelines. Our number one priority is to keep campers and staff members safe. We have added these new policies for the 2022 camp season

- Parents will drop off at the designated doors to a staff person. Parents do not need to come in the building.
- Child will check in with staff members upon arrival.
- Staff will wear masks during appropriate times if mandated at the time.
- Staff will take temperature upon arrival.
- Campers will have temperature taken upon arrival.
- Hand sanitizing before snacks and lunch
- Campers with a fever of 100.4 or higher will not be allowed to attend camp.
- Hygiene and Sanitizing- At the beginning of each program there will be a comprehensive lesson on hand-washing and social distance practices. These lessons will be revisited on an as-needed basis with each group.
- Everyone uses hand sanitizer upon arrival.

Lost and Found:

Our staff will do the best possible to assist the children in keeping all of their items in order, but due to the large amount of kids, it is possible that items will get misplaced. Because of this, we caution parents on what items they do and do not send with the child. We ask that anything of major value does not accompany the camper. Franklin is not responsible for any lost or damaged items.

In regards to items that are lost, there will be a lost and found area for parents and children to look through and attempt to find the items. Anything that is not present in that area may or may not be found within the next couple of days. Please inform a staff member of the missing item in order to allow them to keep an extra eye out for it. But please understand that lost or misplaced items are common when working with this many kids and that the staff will look for the item and help the best they can. Items that are reported lost may not be searched for until later that day or until the day following due to the busy nature of pick up.

Items from Home:

Any camper who bring items that seem harmful or inappropriate for the camp setting will have the item confiscated and the child will be immediately expelled from camp. Safety is Franklin Athletic Club's priority. The items include any weapons such as pocket knives, knives, guns, etc.

Lost or stolen items are not the responsibility of Franklin Athletic Club. If any items are brought from home and deemed a distraction to the camper or others, they will be taken and returned to parents upon pick up that day.

Distribution of Medication:

If your child must receive medication during summer camp hours, you must provide written authorization. A form will be available upon request. The authorization must include: date, child's name, name of medication, prescription number if any, dosage, date/time to be dispensed, and parents/guardian signature. All medication must be in its original container as well. Franklin Athletic Club staff will keep written verification log of date, time, dosage, and name of staff who administered medication. Children will not be permitted to carry their own medication or self-medicate; this action could result in expulsion. All medication is to be kept at the camp desk with the camp manager for the duration of the camp day.

Sick Children:

Children with communicable diseases such as conjunctivitis (pinkeye), epiclesis (head lice), scabies, ring worm, chicken pox, strep throat, etc. or with a fever of 100 degrees or higher and/or contagious symptoms which include but are not limited to rash, vomiting, diarrhea, sore throat, or discolored mucus will not be allowed to attend or remain at camp. Please refrain from allowing your child from attending camp or returning until they have been without a fever for 24 hours. If a child becomes ill during the camp day, we will contact parents/guardians to pick up the child within one hour.
